Attendance

The importance of good attendance and punctuality

Children have a right to a good education to help them fulfil their potential and to develop the skills required to access the world of work and other opportunities.

Good attendance is important because:

- *Statistics show a direct link between under-achievement and poor attendance;
- *Children who attend regularly make better progress, both socially and academically;
- *Children who attend regularly find school routines and school work easier to cope with;
- *Children who attend regularly find learning more satisfying;
- *Children who attend regularly settle into High School more easily.
